

Holiday Traditions

My favorite holiday tradition is when all of the ladies in our family and extended family get together for a day two weeks before the Holidays and bake cookies.

Everyone brings their favorite recipe and we eat lunch and then we all bake each recipe into the late evening. It's always so much fun and we all go home with lots of delicious cookies.

Frosted Flannels

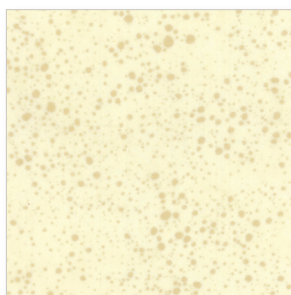

BY HOLLY TAYLOR

We've taken a few of our favorite winter images, painted them in rich hues and brought them to life on super-soft cotton flannels. Enjoy snowshoes and snowmen, skis and sleds while bundled up in a cozy quilt – or take it outside with a cup of hot chocolate.

The Frosted Forest panel features six different scenes to mix with five coordinating prints for quilts and accessories.
