

EBONY SUITE

BEST OF MORRIS

Barbara Brackman

Ebony Suite revisits William Morris's iconic designs with a nod to London's famous mists and foggy streets. Classic prints are colored in elegant undertones from ebony black to champagne ivory. The collection includes 19th-century London's perennial favorites, the pimpernel primrose and willow boughs, rendered in a shady filigree. Ebony Suite's Strawberry Thief print is recreated in the coloring of London's nightingale thrush, Morris's fruit garden raider. Create elegant patchwork with these updated and timeless neutrals.
