Poinsettia Plaza 3 Sisters

City sidewalks, busy sidewalks, dressed in holiday style. In the air, there's a feeling of Christmas.

Poinsettia Plaza recalls a village square at Christmas. Abundantly filled with the bright red blooms that have come to symbolize the season, these tropical flowers symbolize good cheer and success, and are believed to bring wishes of good fortune, mirth and celebration.

WS 45 Fancy Schmancy 55" x 71"

WS 46 This Little Light
58" x 73"

With their signature flair, the 3 Sisters have colored the prints in this collection with a palette that is traditional, and bold. With shades of ivory, parchment, soft green, vibrant red and black, Poinsettia Plaza mixes their favorite paisley with snowflakes, tiny berries and swirling vines and tendrils.
