Life is better on the bay...

The 3 Sisters love spending time by the water, for the beauty of it, and for the moments of serenity and grace it brings them. Inspired by the charm of Sister Bay, Wisconsin, this collection of favorite florals and paisleys is colored in shades of water, clouds and driftwood. Journal entries record memories of days spent on the water, accompanied by drawings of cottages, sailing ships and wildlife. Wherever you are, share the tranquility of a life well-lived, a life spent by the water... on the bay.
