

SWEET AND PLENTY

ME *and* MY *sister* DESIGNS

Plenty of fun, plenty of color and oh so sweet!

This newest collection of prints has the perfect balance of sweet birdies, geometric shapes and plenty of dots. There's even a dotted stripe! It was fun adding black into this group. I think it makes the rich bright colors POP and adds lots of contrast. It's always a great idea to add a little bitter with the sweet. No matter what you're inspired to create, I hope you have "plenty" of fun working with these "sweet" prints! - Barb
